\*V-Code  
 The V-code is a security code on your card that is being required for verification. This number is not embossed on your card but is printed somewhere on the card. On the American Express cards, it is four-digit number printed on the right side of the front of the card. On MasterCard, VISA, and Discover cards, it is the three-digit number that trails the account number printed on the signature panel on the back of the card.)
