\*V-Code

The V-code is a security code on your card that is  
being required for verification. This number is not  
embossed on your card but is printed somewhere on  
the card. On the American Express cards, it is four-  
digit number printed on the right side of the front of  
the card. On MasterCard, VISA, and Discover cards,  
it is the three-digit number that trails the account  
number printed on the signature panel on the back  
of the card.)
